Objective

Seeking a challenging position in a reputed organization where I can learn new skills, expand my knowledge, and leverage my learning.

Education

- Seshadri Rao Gudlavalleru Engineering College, Gudlavalleru   September 2022 - May 2026
  Bachelor of Technology - Information Technology
  CGPA : 9.35

- Sri Chaitanya Junior College, Vuyyuru   May 2020 - April 2022
  Intermediate
  CGPA : 10

- Flora English Medium School, Vuyyuru   June 2019 - March 2020
  Board Of Secondary Education - SSC
  CGPA : 10

Skills

- Programming Languages : C , java , python
- Web Technologies : HTML,CSS,JAVASCRIPT
- Databases : MySQL
- Frameworks : Flutter

Projects

- **Flutter-Based Flood Detection and Awareness App**
  Built a mobile app using Flutter to detect flood risk and provide real-time weather updates based on user input (village name, pincode). Integrated OpenWeatherMap and Geocoding APIs to display flood alerts, safety precautions, and 12-hour weather forecasts (updated every 3 hours) for the selected location.
  Technologies used: Flutter, Dart, OpenWeatherMap API, Geocoding API

Internship

- **MERN Stack Intern – SmartBridge**
  Project: *ShopSmart: Your Digital Grocery Store Experience*
  Developed a full-stack grocery web application using the **MERN stack**. The website enables customers to browse products, view details, add to cart, and securely complete purchases. Sellers can manage products and inventory, while admins handle orders, inquiries, and performance monitoring.

Certifications

- Completed Java certification from NPTEL with 71 percentage (ELITE).
- Completed C certification from CISCO Academy.
- Participated in two workshops Business Intelligence using power BI
